## **Kingdee Included in the Constituent Stocks of Hang Seng Tech Index The Chinese Leader of Cloud Services for Enterprises Gaining Wide Acknowledgement**

(21 July 2020, Hong Kong) **Kingdee International Software Group Company Limited** (“Kingdee” or the “Company”; stock code: 0268.HK), the leading brand of cloud services for enterprises, is pleased to announce that the Company has been included in the Top 10 (4.47% weighting) major constituent stocks of Hang Seng Tech Index, which is newly established by Hang Seng Indexes Company Limited (“Hang Seng Indexes”) and will be launched on 27 July 2020. The inclusion of the Company stocks into Hang Seng Tech Index fully demonstrates the market recognition for China's leading enterprise cloud service company.

This inclusion reflects acknowledgement of the Company’s enterprise cloud service capabilities, R&D capabilities and long-term business outlook from the capital market. Kingdee Cloud Cosmic is ready to capture the uprising opportunities in China’s IT localization trend. Cosmic is fully compatible with domestic solutions including chipset, operating system, database and server. Moreover, Kingdee Cloud Galaxy and Jingdou Cloud aim to help China’s micro, small and medium enterprises to achieve cloud and digital transformation. Earlier, the Company launched the Smart Growth Plan for Micro, Small and Medium Enterprises with 18 major industry solutions.

As Hang Seng Stock Indexes is one of the benchmarks widely used by institutional investors for stock selection and investment monitoring, Hang Seng Tech Index tracks the top 30 selected technology enterprises listed in Hong Kong. The Company will continue to actively advance its cloud services and retain the largest market share in SaaS, SaaS ERM and SaaS Financial Cloud respectively. In accordance with the core value of *Kingdee Philosophy*, Kingdee will “strive for excellence and customer satisfaction, ultimately fulfilling customers’ demand for growth and success.”
