REASONS FOR AND BENEFITS OF THE TRANSACTION

Grand Novel is a company incorporated in the British Virgin Islands and is principally engaged in the provision of management services and advices as to sourcing of chemical goods from oversea suppliers.

The Company has previously appointed Grand Novel in April 2013 as the manager of the Company (“**Previous Appointment**”) to provide services in relation to, among others, the management and procurement of Mr. Guan to serve the Company with regard to the development and expansion of its business as the Board may reasonably direct.

The Company entered into the Management Agreement with the intention of the Company to retain Mr. Guan, who has extensive experience in the chemical industry, to secure his service to the Group. Mr. Guan has over 30 years of experience in the chemical industry. From November 1985 to November 1996, Mr. Guan was employed at Hangzhou Electrochemical Group Co., Ltd. (杭州電化集團有限公司), which was then a state-owned company, where he served as a workshop supervisor and was later transferred to the surfactant research and development department and marketing department. In 1998, Mr. Guan, together with Ms. Han and Mr. Han Jianping, established Hangzhou Haoming, in which he served as the chairman of the board of directors and the general manager. He had served as a director and the general manager of Sanjiang Chemical since 2003. In 2008, Mr. Guan was also appointed and has since served as the chairman of the board of directors of both Jiahua and Jiahua Industrial Park Co. Jiahua is principally engaged in the manufacturing of agrochemicals.

Since each of Mr. Guan and Ms. Han has a material interest in the Management Agreement, they therefore abstained from voting on board resolutions of the Company approving the Management Agreement.

The Directors (including the independent non-executive Directors, but excluding Mr. Guan and Ms. Han who are required to abstain from voting) are of the view that the terms of the Management Agreement, which were arrived at after arm's length negotiations between the Company, Capitol International and Grand Novel, are fair and reasonable and are on normal commercial terms, in the ordinary and usual course of business of the Group and are in the interests of the Company and its shareholders as a whole.

INFORMATION ON THE GROUP

The Group is principally engaged in the manufacturing and supplying of ethylene oxide, ethylene glycol, ethylene, propylene and surfactants. The Group is also engaged in the provision of processing service of surfactants for customers.

CONNECTED PERSON

As at the date of this announcement, Grand Novel is owned as to 100% by Mr. Guan. Each of Mr. Guan and Ms. Han is an executive Director and accordingly, Grand Novel is a Connected Person by virtue of its being an associate of Connected Persons of the Company under the Listing Rules. Accordingly, the transactions contemplated under the Management Agreement constitute continuing connected transactions for the Company under Chapter 14A of the Listing Rules.

LISTING RULES IMPLICATIONS

As the relevant applicable percentage ratios in respect of the Annual Caps are more than 0.1% but less than 5%, the Management Agreement and the Annual Caps are subject to the reporting, announcement and annual review requirements but are exempt from the independent shareholders' approval requirements under Chapter 14A of the Listing Rules.
